

## City Development Committee - 14<sup>th</sup> May 2009

### 4 Review of Proposed Campsie Bypass Road Reservation

#### Amendment:

#### Additional Point:

3. We ensure the pedestrian and bicycle accessway remains uninterrupted.

### 5 State Environmental Planning Policy 2008

#### Amendment:

#### Additional Points:

3. A submission be made to the Minister to seek amendment to SEPP to include a maximum wall height of 7 meters regardless of the roof height.
4. And our submission notes our concern over lack of legislation in the SEPP for overshadowing effects on solar photovoltaic panels and solar hot water systems and that the SEPP be amended to take this into account.
