

PROPOSED CHANGES TO BUS ROUTES

FILE NO: B-66-1

Min. No. 285 RESOLVED

THAT Council writes to the State Minister for Transport, the Hon. David Campbell MP and the Member for Canterbury, the Hon. Linda Burney MP to seek their support for the retention of existing bus route services 408, 409, 411, 412 and 499 as the proposed changes will adversely affect the ability of the young, elderly and disabled to access community services and cause many to be housebound.
