**Heading:** Month-long celebration

CANTERBURY Council has provided \$2000 to the Greek Festival of Sydney for their month-long celebrations.

During last month's meeting, Cr Bill Kritharas proposed the grant, and Cr Linda Eisler said as an alternative to direct funding next year, they will consider sponsoring an event in Canterbury during the festival.

As part of the festival, a presentation by Vasilios Kolovos on Culture in Today's Greece will be held at the Greek Orthodox Community Club in Lakemba on Wednesday, May 13, at 7.30pm.

The festival runs until May 30.
